PYC Therapeutics Limited ('PYC') – Request for Trading Halt

In accordance with Listing Rule 17.1, PYC requests that an immediate trading halt be placed on its securities pending an announcement to the market regarding a proposed capital raising.

The Company anticipates that the trading halt will be lifted on or before market open on Thursday 11 May 2023 by provision of an announcement to ASX regarding the proposed capital raising.

PYC is not aware of any reason why the trading halt should not be granted, nor of any other information relevant to this request.

Yours sincerely

Kevin Hart
Company Secretary

About PYC Therapeutics

PYC Therapeutics (ASX: PYC) is a biotechnology company creating a new generation of RNA therapies by combining its drug design capabilities with a proprietary drug delivery platform.

The Company is leveraging its leading-edge science to develop a pipeline of novel therapies including two programs focused on inherited eye diseases and pre-clinical discovery programs focused on neurodevelopmental and kidney diseases. PYC's discovery, pre-clinical and laboratory operations are in Australia and its translational, clinical, and regulatory operations are in the United States.
